

3D-Display-Info media kit (updated September 2010)

3D-Display-Info is viewed by thousands of readers every month and is focused on 3D displays and TVs. Our readers are mostly people interested in buying 3D TVs, 3D TV owners and industry professionals.

Our site represents a great opportunity to expose your product to potential buyers, exactly when they look for more information and options **before they decide whether to buy a 3D TV, and which one to buy.**

You can [view our ad rates](#) online. [Contact us](#) for details on discounts for first-time advertisers and long (6 months) ad-campaigns.
